**Re: No. 3:17-CR- 82 - CONVICTION and SENTENCING UNITED STATES OF AMERICA  
vs. RANDALL KEITH BEANE AND HEATHER ANN TUCCI-JARRAF**

Dear Clerk Poplin, Judge Varlan, and Judge Shirley,

I got inspired by the Robinson Family's support letter for Mrs. Heather Ann Tucci-Jarraf and Mr. Randall Keith Beane. Thus I would like to add mine, even though I am not American, I do not speak English as my mother tongue and I do not have any knowledge of law at all.

Since early 2013 I have just followed what Mrs. Tucci was doing and publishing through the internet. I have listened to her on various occasions and I have had some small personal Skype chats with her directly.

From all I have seen, heard and read I have got to know Mrs. Tucci-Jarraf as a really loving woman who has been ready to make her huge professional knowledge and wisdom available to all in order to make people aware of their spiritual value and show us where our human systems failed to recognize that value. She has always expressed profound respect and love even for those who perpetuated, knowingly or unknowingly, such systems.

As much as I could understand from the transcripts of the court cases she has always been acting in honour and respect. I could not see any crime neither in Mrs. Tucci's nor in Mr. Beane's behavior that justifies to put them in jail. As a mother of three children I am especially concerned about the fact that it has been almost a year since her children were deprived of their mom, in a moment of their development in which children so urgently need their mother's care for a healthy psychological growth.

As all the corruption is now coming forth to the public and as the American President, Mr. Donald Trump, has just started to pardon unfairly treated people, I kindly ask you to please reconsider the whole court case of both Mrs. Heather Ann Tucci-Jarraf and Mr. Randall Keith Beane and judge in your upcoming sentencing freedom for both of them.

Yours sincerely,

Re: No. 3:17 - CR - 82 Conviction and sentencing

United States of America vs. Randall Keith Beane, and Heather Ann Tucci-Jarraf

Dear Clerk Poplin, Judge Varlan, and Judge Shirley,

I write to you as a concerned American citizen regarding "United States of America vs. Randall Keith Beane, and Heather Ann Tucci-Jarraf". Neither Mr. Beane nor Mrs. Tucci-Jarraf asked me to write this letter, nor are they aware that I am writing this letter. I do not know Mr. Beane or Mrs. Tucci-Jarraf personally. I am a concerned American citizen who has been made aware of this case.

I share the same concerns outlined in Document #182 which was submitted by Robinson family et. al. on 6/5/18.

Of particular concern to me is the information detailed in concern #2 of the submitted Document #182, which addresses the lack of Probable Cause in the alleged case: United States of America vs. Randall Keith Beane, and Heather Ann Tucci-Jarraf.

As Document #182 clearly points out, "there was no OFFICIAL complaint... no affidavit...no warrant... no crime".

To further quote Document #182: "What was the evidentiary basis for a 'criminal' investigation in which there was no Constitutional or contractual violation?"

"Have the prosecutors been asked to reveal any and all un-revealed possible conflicts of interest that go to motive for prosecution as well as provide for exculpatory evidence?"

The following text from Document #182 explains the specific breach of Constitutional amendments and lack of Probable Cause:

There is a Constitutional fourth Amendment against unreasonable searches and seizures and requiring probable cause for a warrant. There is a fifth Amendment guaranteeing procedural rights to which every person whom the government accused of a crime is entitled – "due process of law." Mr. Parker Still and his FBI investigative "team" denied Mr. Beane and Mrs. Tucci-Jarraf both Constitutional protections. And as a quick reminder—the Constitution is the supreme Law of the Land. (Article VI – The Constitution of the United States)

It was extremely distressing to read the testimony of Mr. Parker Still in which he referred to a warrant as "...that's some TV stuff where we serve people...that's just not general practice where you would, you know, serve someone – hand someone a warrant, generally." (Trial Transcript, Vol. 1, Pg. 69, Lines 13-17) It seems clear Mr. Parker Still believes FBI Investigators do not have to fulfill Constitutional obligations.

Sincerely,

What is happening on a global level is obvious to all: climatic geo engineering, obligatory mass vaccinations (12 vaccines), genetically modified foods GMO, mass migration of people, inhuman treatment of prisoners, fraud in the banking system, SPV, etc. etc.

We have been raised under dark beliefs. Dear President, also You have been changing America radically for the benefit of the Americans which has been reflected on a global level and for which I am very grateful to You. For this reason You can internally comprehend the great human spirit and the immense consciousness which animates Heather Ann Tucci Jarraf.

I am certain that You will immediately grant a REPRIEVE and that this request of mine will arrive directly at Your heart for the HONOUR OF JUSTICE and the HONOUR OF TRUTH.

Dear Judges,

In life it is always possible to step back. To recognize on Your part the errors made by You in the legal proceedings (see appendix A) is AN ACT THAT CAN BE RECOGNIZED BY CREATION. I therefore ask You for REDRESS NOW and to receive THE GIFTS WHICH ARE GRANTED BY LIFE TO EVERY HONEST INDIVIDUAL BEING by immediately giving back freedom to Heather Ann Tucci Jarraf as well as to Randall Keith Bene

With Love
